Client Code of Conduct

I understand I will conduct myself in a manner that shows respect for myself and others as this creates a safe place for everyone. I will not cuss, yell, hit, pinch, pull hair, slam doors, stomp feet, or express any signs of aggression toward myself or others in the waiting room or in therapy. I further understand that if I do, it is grounds for immediate discharge from services. I understand that I cannot engage in a friendship with my therapist for at least 2 years after my therapy has concluded and this includes all forms of social media (facebook, linkedin, etc). I also understand that when in public, Dr Morrissey will not initiate any communication with me unless I am the one to initiate.

By signing below, I am acknowledging that I have read the code of conduct and understand the expectations.
